The final meeting of the Budget Advisory Committee for 2008-2009 school year was held on April 23, 2009. The BAC provided final recommendations to the board for programs and services to be restored.

We have been informed that RVSD will receive between \$150,000 and \$175,000 from Individuals with Disabilities Education Act funds (IDEA). These funds can be used toward RVSD's contributions to Special Education and they can be used to enhance special education programs that are one time expenses, such as professional development.
