## 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state’s high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

### 2024-25 School Description and Mission Statement

White Hill Middle School is a vibrant learning community that values excellence, respect, perseverance, and social-emotional growth. Our mission is to prepare every student with the skills to become independent learners and community-minded leaders. Serving approximately 600 students in grades 6–8, the school offers a rigorous, evidence-based curriculum within a safe and supportive environment, ensuring every student feels a sense of belonging and achieves academic success.

Our Core Commitments:  
Provide developmentally appropriate curriculum in a structured, supportive setting.

## 2024-25 School Description and Mission Statement

Engage students in active, relevant learning experiences.

Foster essential skills: study habits, communication, research, technology, problem-solving, critical thinking, and social interaction.

Encourage critical thinking, independence, responsibility, self-confidence, and a love for learning.

Create a warm, respectful environment where all are treated with dignity.

Offer developmental guidance to support students' social, emotional, and academic growth.

Strengthen partnerships between parents, guardians, and staff to maximize student potential.

Promote enrichment both in and outside the classroom through activities like sports, field trips, and interdisciplinary studies.

Commitment to Equity:

White Hill Middle School is dedicated to equity, ensuring students gain exposure to diverse perspectives beyond the dominant narrative. Teachers engage in professional development to implement culturally responsive practices and improve school-wide systems that support equitable learning. This work aligns with the Ross Valley School District (RVSD) Racial Equity Mission, which aims to combat racism, promote inclusion, and empower students to thrive socially, emotionally, and academically.

## 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All Ross Valley School District students have access to high-quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California. The Ross Valley School District establishes a committee of teacher leaders for the review and adoption of standards-aligned curriculum materials; recommendations are then made to the board of trustees for approval. During the 2022-23 school year, the District is continuing to explore science instructional materials (6-8) and mathematics instructional materials (6-8). The below table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school (as of January 2023).

Year and month in which the data were collected

## School Facility Conditions and Planned Improvements

The total score is 99.65% for the Facility Inspection Tool.

## School Facility Conditions and Planned Improvements

The Ross Valley School District passed a \$41 million dollar bond in November 2010 to accommodate increased enrollment and at White Hill Middle School.

Ross Valley School District uses Integrated Pest Management (IPM) strategies and the least toxic method of pest control possible as a means to control unwanted pests. In accordance with AR 3514.2 IPM strategy focuses on long-term prevention or suppression of pest problems through a combination of techniques such as monitoring for pest presence and establishing treatment threshold levels, using non-chemical practices to make the habitat less conducive to pest development, improving sanitation, and employing mechanical and physical controls. Pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property, and the environment are used only after careful monitoring indicates they are needed according to established guidelines and treatment thresholds. ( California Education Code §17609; Food and Agricultural Code§ 13181)

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

<b>Mathematics</b> (grades 3-8 and 11)	57	62	64	67	34	35

### 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2024-25 Opportunities for Parental Involvement

White Hill is committed to shared leadership in which families and school staff are close partners in students' education. Families are invited to participate in committees, assist with special projects, and bring their expertise, talents, and points of view to enrich the educational experience for all students. We rely on these partnerships to help make White Hill a better school community. Families have both formal and informal opportunities to provide input into decisions made regarding the school site community. Formal opportunities include monthly Site Council, English Language Advisory Committee, and Diversity, Equity, and Inclusion group, and Parent Club meetings. Informal opportunities include monthly parent coffee chats, school tours, preview nights, back-to-school night, and open house.

At the District level, parents can volunteer to be part of the YES Foundation which supports the Visual and Performing Arts and Libraries. The Superintendents Round Table and Superintendents Council meetings are held six times throughout the year to gather input from stakeholders at each site. Other opportunities include the District Wellness Committee, District English Learner Advisory Committee, District Racial Equity Plan Committee, Budget Committee etc.

## 2024-25 School Safety Plan

White Hill Middle School's Comprehensive School Safety Plan (CSSP) is reviewed, updated, and approved annually by the Ross Valley School District Board of Trustees, with the most recent review and approval completed in March 2024. The plan is developed in collaboration with local emergency agencies, including the Fairfax Police Department and Ross Valley Fire

## 2024-25 School Safety Plan

Department. It is also discussed with faculty, staff, and a students to ensure comprehensive understanding and input on the following dates:

Staff 8/14/24  
 Site Council 1/7/25  
 Student Council 12/19/24

The CSSP includes detailed procedures for earthquake, fire, lockdown, and shelter-in-place drills, all conducted in alignment with California Education Code requirements. These drills are scheduled regularly, with students actively participating to ensure they understand their roles in emergency situations. School administrators and staff also undergo annual training in disaster preparedness and response, covering areas such as search and rescue, basic first aid, and student reunification protocols. The site's emergency response plan incorporates a complete National Incident Management System (NIMS) chart, ensuring structured and effective coordination during emergencies.

To maintain readiness, the school's emergency supply container is inspected and restocked annually, ensuring that White Hill Middle School remains well-prepared to address unanticipated emergencies to prioritizing the safety and well-being of all members of its community.
