Emailed or phone call practice sheets are not accepted from or for any student.

Students must use the sheet provided. If you lose it, you can get another one in class or print one from my website; no scraps of paper or post-it notes will be accepted.

Practice Sheets are due by THE END OF BREAK on WEDNESDAY. They are a part of your grade. A parent or guardian must sign the paper. 80 minutes a week of practice time is required in order to receive full credit. Turn in late (after school or on Thursday) for 10 points off.
