2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

At Hidden Valley School, we are very proud of the warm camaraderie that exists among our staff and parents, and the strong focus on learning and citizenship that we maintain. Our skilled teachers and support staff take great pride in their work and are focused on ensuring that Hidden Valley keeps the focus on our students, providing a program of academic excellence, cultural richness, social, emotional and physical development that educates, supports, challenges and inspires each child. Our PTO and YES Foundation continually supports the school to allow combined efforts to provide the quality educational experience all students deserve.

2024-25 School Description and Mission Statement

We are committed to supporting the Ross Valley School District Racial and Equity Mission Statement: The Ross Valley School District is committed to creating a safe, equitable, and inclusive learning environment in which all students feel a sense of belonging, are respected and celebrated for their individual differences, and are empowered to thrive socially, emotionally, and academically. We are equally committed to building the leaders of tomorrow who will combat racism and promote equity throughout their lives. Ross Valley School District parents, guardians, students, staff, and board trustees, in partnership, will create policies to disrupt systemic racism and prioritize equity in our organizational structures, curriculum, and instructional practices.

We will do this by actively engaging, listening, and responding to the voices and needs of our marginalized students, families, and staff and working to engage in anti-racist actions that build a vibrant, inclusive learning community.

Ross Valley School District, in general, and Hidden Valley, in particular, is a community that nurtures and treasures its children. It is because of this that the community is committed to the support of a rich educational experience. Parents, teachers, local businesses and children have all become partners in this mission. This cooperative spirit creates our unique Hidden Valley learning community. The welcoming school environment and culture are qualities that our families enjoy.

A small school of approximately 285 students, TK through fifth grade, creates a culture where students are known. Our education program is supported by 12 regular education teachers, a Resource Specialist and special education staff including a part time school counselor, as well as Music, Art, and PE classes. We also have a kindergarten county special day class on our campus, students are integrated into school-wide activities and supported by a Special Education teacher with a mild/moderate credential and two instructional assistants.

We encourage parents to become an active participant in the life of Hidden Valley School. There are many ways to become involved in school programs and activities: working with the PTO and its many programs and projects; participating in School Site Council and our Equity Mission; supporting YES; working as a classroom volunteer; or attending the various community functions.

SCHOOL DESCRIPTION

Our campus is a community-oriented facility, often used after hours to support the community. The site is shared with a non-profit operated before-and-after school day care. The school fields are shared with San Anselmo Recreation Department so that Hidden Valley facilities can be utilized for community recreational programming. Upkeep of our school grounds and gardens is a shared responsibility between community organizations, parent volunteers and the school district staff. Our Parent Teacher Organization Board aligns yearly goals with our school improvement plan to provide additional support and materials to ensure student success. The PTO actively solicits participation from the community in quarterly meetings, our annual fundraiser 'the Fun Run' and community family events. The school garden is tended by students, teachers, and parent volunteers working closely with staff.

All programs in the Site Plan are based on state content and performance standards. Goals are established annually and made explicit in the objectives and activities in each section of the plan. These goals are supported by professional development at site and district meetings, staff development days, and conferences. The plan supports learning for all students school-wide with additional funding and services provided for special education and English Language Learners.

RVSD RACIAL EQUITY MISSION STATEMENT

The Ross Valley School District is committed to creating a safe, equitable, and inclusive learning environment in which all students feel a sense of belonging, are respected and celebrated for their individual differences, and are empowered to thrive socially, emotionally, and academically. We are equally committed to building the leaders of tomorrow who will combat racism and promote equity throughout their lives.

Ross Valley School District parents, guardians, students, staff, and board trustees, in partnership, will create policies to disrupt systemic racism and prioritize equity in our organizational structures, curriculum, and instructional practices.

We will do this by actively engaging, listening, and responding to the voices and needs of our marginalized students, families, and staff and working to engage in anti-racist actions that build a vibrant, inclusive learning community.

MISSION STATEMENT

The Hidden Valley mission is to provide comprehensive learning experiences based on best practices:

- where students will develop confidence in their ability to think for themselves, analyze a variety of situations, find creative solutions, and generate a love of learning, and;
- where students will approach the world beyond their immediate community with a sense of respect, wonder and responsibility;

2024-25 School Description and Mission Statement

- where students will be challenged to reach their highest learning potential within a rigorous academic context enriched by art instruction.

We prepare our students to be self-motivated, knowledgeable, and caring life-long learners!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All Ross Valley School District students have access to high-quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California. The Ross Valley School District establishes a committee of teacher leaders for the review and adoption of standards-aligned curriculum materials; recommendations are then made to the board of trustees for approval. During the 2022-23 school year, the District is continuing to explore science instructional materials (K-8) and history/social science instructional materials (K-5). The District is also looking at word study programs in K-5. The below table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school (as of January 2023).

School Facility Conditions and Planned Improvements

The total score for the Facility Inspection Tool is 98.38%.

School Facility Conditions and Planned Improvements

The Ross Valley School District passed a \$41 million facility bond in November 2010 to accommodate increased enrollment and replacement and/or repairs at Hidden Valley School and other schools in the district. In summer of 2016, 3 modular classrooms were added to replace the two portables. New playground and basketball courts were added.

Ross Valley School District uses Integrated Pest Management (IPM) strategies and the least toxic method of pest control possible as a means to control unwanted pests. In accordance with AR 3514.2 IPM strategy focuses on long-term prevention or suppression of pest problems through a combination of techniques such as monitoring for pest presence and establishing treatment threshold levels, using non-chemical practices to make the habitat less conducive to pest development, improving sanitation, and employing mechanical and physical controls. Pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property, and the environment are used only after careful monitoring indicates they are needed according to established guidelines and treatment thresholds. (California Education Code §17609; Food and Agricultural Code§ 13181)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement
<p>Parents and Hidden Valley staff are partners in education. Parent involvement is an integral part of our school community. Parents serve as volunteers in the classroom, as lunchtime supervisors, serve in leadership and consult roles, on site and district committees, assist with special projects and offer their many talents and expertise to enrich the educational experience of our students. We invite and encourage parents to take an active role in their child's education and the school community. There are a variety of leadership opportunities for parents at the school level, Spanish speaking club, school site council (equity and diversity) and the parent club. It is our focus to take a closer look at equity and how we can be a more inclusive school community, focusing on engaging learners who are struggling and building allyship with our white parent population.</p> <p>At the District level, parents can volunteer to be part of the YES Foundation which supports the Visual and Performing Arts and Libraries. Also, the Superintendents Round Table and Superintendents Council meetings are held 6 times per year. Other opportunities include the District Wellness Committee, District English Learner Advisory Committee, Citizens Oversight Committee, etc.</p>

2024-25 School Safety Plan

The Board of Trustees reviews and adopts the Ross Valley School District’s School Safety by March 1st each year. The plan is developed in coordination with Marin County emergency agencies such as Marin County Sheriff and Ross Valley Fire. Our plan includes procedures for earthquake, fire, and lock down drills and shelter in place. The school community practices a variety of

2024-25 School Safety Plan

emergency drills on a scheduled basis. The number of drills is determined by California Education Code. Students are trained to play active roles in these drills. School Administrators and staff attend annual trainings to better prepare the school for unanticipated emergencies. The plan includes procedures for disaster preparedness and response. Our site's emergency plan includes a complete NIMS chart, training includes search and rescue, basic first aid, and student release. Our emergency supply container is checked and re-stocked yearly.

Board policies on suspension and expulsion, procedures to notify teachers of dangerous pupils, sexual harassment, procedures of safe ingress and egress of pupils and rules and procedures on school discipline are also components of the plan. The plan may be reviewed in detail at the school site.

There is window film for safety and security at each site. All door locks have been checked and only require a push button or simple motion to remove a door block to lock and secure each room. In addition, the telephone system allows each school to call 911 and to contact the District in the event of an emergency. The walkie-talkie system has been upgraded for each site to contact the District and all school personnel have walkie talkies to communicate at the site level and to contact the District in the event of an emergency.

Professional Development

We have three professional development days for staff development along with a number of early release Wednesdays. The focus of professional development days for the 2023-24 school year is on reading instruction. We have contracted with Jessica Hammon of GLEAN education to provide elementary teachers with training on Science of Reading research and shifts in instruction that come with shifting from a Balanced Literacy Model to a Structured Literacy model. Teachers received training on best practices in reading assessments and unpacking the five components of reading.

Principals utilized Wednesday afternoons to work with teachers on developing strategy groups to address student progress in English language arts and mathematics.

This table displays the number of school days dedicated to staff development and continuous improvement.
