This leave shall not be deducted from sick leave. If less than 200 miles travel is required, members may take up to two (2) additional days of bereavement leave (five (5) days total) as either unpaid leave, or use any paid vacation, personal leave, accrued and available sick leave, or compensatory time off that is otherwise available to the unit member to receive pay for those additional two (2) days. The immediate family normally consists of the unit member's: husband or wife, children, father, father-in-law, mother, mother-in-law, sisters, brothers, grandparents (of either spouse), grandchildren (of either spouse), son-in-law, daughter-in-law, or domestic partner or any person living in the immediate household of the unit member. Bereavement leave for any other person requires approval of the Superintendent or designee. Bereavement leave must be used within three (3) months of the date of death, unless this time is extended by the Superintendent for good cause.
- 9.2 Bereavement leave need not be taken consecutively.
- 9.3 Judicial/Court Appearance/Jury Duty: The Board shall grant leave of absence with pay to any member of the bargaining unit who is subpoenaed to appear in Court for other than personal reasons and/or is called for jury duty. The unit member will receive their regular salary less any amount received as a result of serving on the jury or as a witness, except reimbursement for mileage, parking, etc.
- 9.4 Absence - Personal Illness or Injury: Every full-time member of the bargaining unit shall be entitled to twelve (12) days leave of absence for illness or injury, per year, with full pay. This shall apply to persons employed for a full fiscal year. Sick leave is accumulated indefinitely.
- 9.4.1 In the case of absence due to illness or accident limited to seven (7) consecutive days or less, payment shall be made on the statement of the unit member and countersigned by the immediate supervisor who may require verification of the reason for absence. Verification of the reason for absence due to illness or accident in excess of seven (7) working days shall be required. Evidence of the illness or accident must be attested to, in writing, by the attending physician or other competent health advisor, and must be filed with the Superintendent within five (5) days after returning.
- 9.4.2 In case of illness or accident, unit members shall notify their immediate supervisor as soon as possible. Absence reports shall be submitted upon return to work.
- 9.4.3 Unit members working less than a 40-hour week and/or a full fiscal year shall be entitled to that proportion of twelve (12) days leave of absence for illness or injury with pay as their work schedule bears to a full-time work schedule.

- 9.4.4 Summer School: Members of the bargaining unit assigned at times other than the regular academic year (such as summer school) shall receive, on a pro rata basis, not less than the benefits stated herein. (Ed. Code 45102).
- 9.4.5 Pay for any day of absence under this Article, shall be the same as the pay which would have been received had the unit member served during the day of illness/injury.
- 9.4.6 At the beginning of each fiscal year, the full amount of sick leave granted under this section shall be credited to each unit member. Sick leave may be taken at any time during the year. However, a new unit member shall not be eligible to take more than six (6) days until the first day of the calendar month after completion of six (6) months of active service with the District.
- 9.4.7 Should a unit member resign or retire, their total accumulated sick leave may be used in any one of the following ways:
- 9.4.7.1 For resignations: It may be transferred to another public school employer in the State of California as provided for under Ed. Code provisions;
- 9.4.7.2 For retirements: It may be credited to the unit member's PERS account in accordance with PERS rules and regulations and/or Ed. Code.
- 9.4.8 Unit members shall be entitled to utilize half of their annual sick leave allotment for leave of absence for illness or injury of an immediate family member (i.e. spouse, domestic partner, child, father, mother, brother, sister, grandmother, grandfather, child, grandchild, son-in-law, daughter-in-law, or those of the unit member's spouse, or a "designated person" pursuant to Section 12945.2 of the California Government Code, California Healthy Workplaces Healthy Families Act [HWHFA]).
- "Designated person" for California's Healthy Workplaces Healthy Families Act (HWHFA) purposes means "Any individual related by blood or whose association with the employee is the equivalent of a family relationship." The Designated Person shall be identified by the unit member at the time the unit member requests paid sick days under the HWHFA and for Kin Care under Labor Code section 233. Unit members may only identify one designated person per 12-month period (rolling). The terms here regarding "designated person" are intended to reflect the law and do not extend leave availability beyond legal requirements.
- 9.5 Extended Illness/Injury Leave: When a unit member is absent from their duties on account of illness or accident for a period of five (5) months or less, whether or not the absence arises out of or in the course of employment of the unit member, the unit member shall receive not less than the difference between their regular salary and the amount actually paid a substitute employed to fill their position during their absence. The amount paid the substitute shall in all cases be less than the regular unit member's salary. All sick leave, industrial leave, compensatory time, accrued vacation or other available leave that is due to the unit member shall be used first.

- 9.6.1 Release time shall be granted without loss of pay for one (1) CSEA delegate, for up to five (5) days, to attend the CSEA annual conference.
- 9.6.2 When mutually agreed upon between the Superintendent and CSEA, members of the bargaining unit have the right to attend scheduled chapter meetings, commencing one-half hour before the end of the workday. - 9.7.2 Unit members on unpaid leave, approved by the Board, or unit members with 39-month reemployment rights shall, on their return, retain seniority rights and step position on the salary schedule which they held at the beginning of the leave. Such unit members shall retain accrued sick leave but shall not receive vacation, holiday or sick leave credit or accrue seniority. They may retain health and welfare coverage by paying the premiums.
- 9.7.3 Unit members on unpaid sick leave shall be eligible for health and welfare benefits for a period of thirty (30) days. At the end of this period, they may retain health and welfare coverage by paying the premiums for as long as they remain employees of the District. The District may require a certificate from the doctor.

9.8 Leave for Family and Medical Reasons:

Pursuant to the Federal Family and Medical Leave Act of 1993 (29 U.S.C. SS 2601 et seq.) and the California Family Rights Act (Government Code section 12945.2), unit members may be eligible for up to 12 weeks of either paid or unpaid family care and medical leave, depending upon the unit member's circumstance. The District will comply with all mandated provisions under these Acts. (Refer to Board Policy, including AR 4261.8, and Exhibit "F".)

9.9 Personal Necessity Leave:

A unit member may use a maximum of ten (10) days of sick leave annually for cases of personal necessity, including any of the following:

The unit member shall complete and sign an absence report. This report may be signed after the fact.

9.10 Personal Business Leave:

One (1) day per year for personal business other than illness or accident shall be allowed per year without loss of pay. This leave shall not accumulate from year to year, nor shall it be charged to sick leave. Advanced permission must be granted by the immediate supervisor before the unit member uses this leave.

9.11 Other Absences With or Without Pay:

9.11.1 Personal absences, without pay, may be granted when recommended by the immediate supervisor and approved by the District Superintendent or designee. Such a leave shall be a temporary separation from the job, and not a reduction of hours.

9.11.2 When no other leaves are available, a leave of absence may be granted to a unit member on a paid or unpaid basis at any time upon any terms acceptable to the District and the unit member.

9.11.3 After Exhaustion of All Available Leaves: When all available leaves of absence, paid or unpaid, have been exhausted and if the unit member is not medically able to assume the duties of their position, they shall, if not placed in another position, be placed on a reemployment list for a period of 39 months. When available, during the 39-month period, they shall be employed in a vacant position in the class of their previous assignment over all other available candidates except for a reemployment list established because of layoff, in which case they shall be listed in accordance with appropriate seniority regulations. A unit member who has been placed on a reemployment list as provided herein, who has been medically released for return to duty and who fails to accept an appropriate assignment shall be subject to dismissal.

9.12 Industrial Accident/Illness Leave:

Industrial Accident or Illness may be defined as any injury or disease arising out of and in the course of employment.

9.12.1 Allowable leave shall be for sixty (60) working days in any one fiscal year for the same accident.

9.12.2 Allowable leave shall not be accumulated from year to year.

9.12.3 Industrial accident or illness leave will commence on the first day of absence.

9.12.4 Payment for wages lost on any day shall not, when added to an award granted the unit member under the Worker's Compensation Laws of this State, exceed

the normal wage for the day.

- 9.12.5 Industrial Accident Leave will be reduced by one (1) day for each day of authorized absence regardless of a compensation award made under Worker's Compensation.
- 9.12.6 When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the unit member shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.
- 9.12.7 Industrial Accident/Illness Leave is to be used in lieu of other sick leave. When entitlement to Industrial Accident/Illness Leave has been exhausted, entitlement to other sick leave will be used but if a unit member is receiving Worker's Compensation they shall be entitled to use only that much of their accumulated or available full pay sick leave, accumulated compensatory time, vacation or other available leave, including Extended Illness Leave, which, when added to the Worker's Compensation award, provides for a full day's wage or salary.
- 9.12.8 Periods of leave of absence, paid or unpaid, shall not be considered to be a break in service of the unit member.
- 9.12.9 During all paid leaves of absence, the unit member shall endorse to the District wage loss benefit checks received under the Worker's Compensation Laws of this State. The District, in turn, shall issue the unit member appropriate warrants for payment of wages or salary and shall deduct normal retirement and other authorized contributions. Reduction of entitlement to leave shall be made only in accordance with this section.
- 9.12.10 Exhaustion of Leaves: Should a unit member exhaust all of their available Industrial Accident/Illness leave under this section, they shall be entitled to apply any and all other leaves, paid or unpaid, to which they may be entitled, including but not limited to Extended Illness/Injury leave pursuant to Section 9.4. Upon exhaustion of all other remaining leave entitlements, the unit member shall be placed on a reemployment list in accordance with Section 9.10.3.
- 9.12.11 The benefits provided by this section are made available to a unit member from the date of the first day of service with the District except as provided in the Family Medical Leave Act which requires twelve (12) months of service for eligibility.
- 9.12.12 Any unit member receiving benefits as a result of this section shall, during periods of injury or illness, remain within the State of California unless the Board of Trustees authorizes travel outside the State.

9.13 Pregnancy Disability Leave

Unit members shall be entitled to leave for disability (medically unable to perform the duties of their position) caused or contributed to by pregnancy, miscarriage, childbirth,

and recovery therefrom for the period of time determined by the unit member's physician. During the unit member's period of disability, the unit member may use (for up to five school months) their sick leave, both current and accumulated, and/or other available paid leaves, followed by differential pay. Such leave shall run concurrently with any leave entitlements under the federal Family Medical Leave Act (FMLA). The unit member shall submit to Human Resources written verification signed by their physician stating the length of the temporary disability.

9.14 Parental Leave

Unit members shall be afforded up to twelve (12) work weeks of parental leave for the purposes of bonding with a newborn or newly placed adoptive or foster child. When the unit member has exhausted all available sick leave and continues to be absent from their duties on account of parental leave, the unit member shall receive differential pay for up to twelve (12) work weeks. Nothing in this section shall prohibit a unit member who does not wish to exhaust their sick leave from requesting and receiving up to twelve (12) work-weeks of unpaid leave for the purpose of taking parental leave. A unit member is not required to have worked 1,250 hours in the prior school year to be eligible for parental leave. Such parental leave shall run concurrently with any entitlement to leave under the CFRA.

- 9.14.1 A unit member must give at least thirty (30) days advance notice before their parental leave is to begin, unless such advance notice is not practicable, such as because of a lack of knowledge, changed circumstances, or a medical emergency, in which case notice must be provided as soon as possible.
- 9.14.2 Parental leave does not need to be taken in one continuous period of time but shall be in no less than two (2) week increments absent extenuating circumstances.
- 9.14.3 If a unit member seeks to take parental leave but has not exhausted all available sick leave, the unit member may use sick leave for parental leave purposes without the need for a doctor's note.
- 9.14.4 If a unit member has exhausted the 12-week period of parental leave paid at differential pay and seeks to continue such parental leave, the unit member may request an additional unpaid leave of absence for up to twelve (12) consecutive months. Under circumstances that are advantageous to both the employee and the administration, such leaves may be extended upon approval of the Superintendent.
- 9.14.5 Nothing in this section shall conflict with or construed as expanding or otherwise limiting those rights afforded under applicable federal or state law.

9.15 Military Leave:

Military leave of absence shall be granted as provided for in the Military and Veteran's Code of the State of California. Such leave must be verified by a copy of the military orders requiring military duty.

9.16 Catastrophic Leave

9.16.1 Unit Member Requests

9.16.1.1 Permanent unit members whose sick leave is exhausted may submit a request for catastrophic leave. Catastrophic illness or injury shall be defined as any illness or injury or other verifiable catastrophic situation that incapacitates a unit member or a member of the unit member's family for over ten (10) consecutive duty days which requires the unit member to take time off work. If a reoccurrence occurs within 12 months, it shall be deemed catastrophic after five (5) consecutive days.

9.16.1.2 Unit members must use all sick leave available to them before being eligible to request catastrophic leave.

9.16.1.3 Unit members requesting catastrophic leave will be required to submit a doctor's statement or other verifiable document in support of the leave request that includes the probable length of absence from work. The Committee shall keep all details of each request confidential.

9.16.1.4 The Committee may authorize up to a maximum of five (5) days per unit member for each catastrophic situation. If a unit member is not eligible for income protection under the District's group plan, on a case by case basis the Committee may authorize additional days.

9.16.1.5 A maximum of thirty (30) days of donated Catastrophic Leave may be used in a school year for all bargaining unit members.

9.16.1.6 Any inquiries regarding sick leave balances shall be directed to the District Business Services department.

9.16.2 Catastrophic Leave requests shall be administered by a joint committee comprised of three (3) members appointed by the Association and two (2) members appointed by the District. The charge of this Committee shall be to determine if there is a genuine need caused by a catastrophic situation.

9.16.3 If it is determined that a genuine need exists, a donation request shall be sent to all unit members' District email address and such donation request notice shall be posted at each site. The identity of the requestor shall remain confidential. Donations shall only be solicited for the amount requested, up to a maximum of five (5) days per unit member, except as otherwise provided in this section.

9.16.3.1 Effective July 1, 2019, the District and CSEA agree that the existing Catastrophic Leave Bank balance of 452.75 hours will be distributed in response to any approved catastrophic leave requests until the balance is exhausted. No requests for donated hours shall be sent to unit members until the balance is exhausted.

- 9.16.4 All permanent unit members on active duty with the District with at least seven (7) available sick days are eligible to donate one (1) day of sick leave to a Catastrophic Leave donation request. Unit members wishing to donate shall reply to the email and/or complete the donation form and submit it to the Human Resources Department within seven (7) business days of the donation request.
- 9.16.5 Authorized days may not be used for illness or disability which qualifies the unit member for workers compensation benefits unless the unit member has exhausted all worker compensation leave, and their own sick leave.
- 9.16.6 If Catastrophic Leave donation request does not receive sufficient days to fund the authorized amount of leave, the District is under no obligation to provide any catastrophic leave beyond the number of days actually donated.
- 9.16.7 The Committee shall notify the requesting unit member of the number of days authorized and funded. Funded days shall become effective upon receipt of donations sufficient to fund the request.

9.17 Retraining and Study Leave

- 9.17.1 An unpaid leave of absence for study/retraining may be granted to any full-time member of the bargaining unit.
- 9.17.2 Such leave of absence may be taken in separate six (6) month periods or in any other appropriate periods rather than for a continuous one (1) year period provided the separate periods of leave of absence shall be commenced and completed within a three (3) year period. Any period of service by the individual intervening between the authorized separate periods shall comprise a part of the service required for a subsequent leave of absence for study or retraining purposes.
- 9.17.3 Study/retraining leave cannot be granted to an individual who has not served at least three (3) consecutive years preceding granting of the leave.
- 9.17.4 No more than one study/retraining leave of absence for a unit member shall be granted in each three (3) year period.
- 9.17.5 The District may prescribe standards of service which shall entitle the unit member to the leave of absence.
- 9.17.6 Unit members granted an unpaid leave for up to six (6) months will be guaranteed reinstatement and may be replaced with a temporary or substitute employee. At least two (2) weeks prior to returning to the District, the unit member on leave shall verify to the Director of Human Resources of their intent to return or not return to the District at the end of the approved leave. Failure to provide notice of intent to return to employment shall result in their automatic resignation. Unit members who are on an approved leave for greater than six (6) months shall not be guaranteed reinstatement by the District but will be placed on the District's thirty-nine (39) month rehire list. Priority to reinstatement shall

only occur after laid off unit members' rehire rights and other unit members who have reemployment rights.

ARTICLE X LAYOFF PROCEDURES

- 10.1 A layoff for the purpose of the Article shall be considered as an involuntary separation of a permanent or probationary classified unit member from active service due to lack of funds and/or lack of work as a result of a bona fide reduction or elimination of the service performed by any department or when reemployment, reassignment or displacement (bumping) rights of a unit member cause such an action. Any reduction in regularly assigned time shall be considered a layoff under the provisions of this Article. Any reduction in regularly assigned time is not a waiver of CSEA's right to negotiate over the decision. Layoffs shall be conducted on a District-wide basis, in reverse order of seniority in the job classification in which the layoff occurs:
- 10.1.1 The unit member who has been employed the shortest time in the classification plus higher classifications shall be laid off first.
 - 10.1.2 Seniority for unit members hired prior to July 1, 1999 shall have their seniority by hours in each classification in which they have served frozen. Those whose hours have been frozen shall then be placed on the seniority list by highest number of hours served in each classification.
 - 10.1.3 Seniority for unit members hired after July 1, 1999 and thereafter shall be based on first date of paid service in a probationary position.
 - 10.1.4 If two (2) or more unit members subject to layoff have equal seniority, the determination as to who shall be laid off shall be made on the hire-date seniority with the unit member hired first being retained and if that is equal, then the determination shall be made by lot.
- 10.2 When a layoff of classified unit members is anticipated by the administration and at least seventy-two (72) hours before any Board action is taken on layoff of classified unit members, the District shall notify CSEA in writing by District mail of the proposed action. With such notification, the District will provide CSEA with an updated seniority roster for the classification in which the layoff is anticipated, a list of positions and/or hours to be reduced or eliminated and, for information only, any agenda documents provided to the Board supporting the need for layoff. Upon written request, the District shall meet with CSEA to discuss the proposed layoff and negotiate on the impact of such layoff. It shall be the responsibility of CSEA to designate the specific impact issues within the scope of bargaining.
- 10.3 Unit member may challenge their place on the seniority roster by making objections to the Superintendent or designee who shall review the objections and conduct an audit if requested and make the results of such audit known to CSEA and the unit member(s). Such challenge shall take place within ten (10) work days from the date the seniority list is sent to the unit member(s). For purposes of this Article, a workday is a day when the District Office is open for business.
- 10.4 After a Board action has been taken on a layoff, a written notice of layoff shall be sent by certified mail to affected unit member(s), to their last address given to the District, no less

than sixty (60) calendar days prior to the effective date of layoff. A termination interview with the Superintendent or designee may be scheduled during normal working hours, if requested by the unit member at a time mutually agreeable to both parties. A copy of each notice shall be concurrently sent by District mail to the President of the CSEA local chapter or designee.

Such notice shall indicate the layoff date and inform the unit member of their displacement rights, if any, and reemployment rights.

10.5 Laid off unit members who, at the time of layoff, took voluntary demotions or voluntary reductions in assigned time shall be at the unit member's option returned to a position in their former classification or to a position with increased assigned time as vacancies become available, and for a period of sixty-three (63) months from the effective date of layoff. Such unit members shall be ranked in accordance with seniority.

10.6 A unit member who is laid off and is subsequently eligible for reemployment shall be notified by telephone (if possible), and in writing by the District of opening(s). Such notice shall be sent by certified mail to the last address given to the District by the unit member. A copy of each notice shall be sent concurrently by District mail to the President of the CSEA local chapter.

10.7 A unit member on a reemployment list shall have five (5) workdays to respond to an offer of reemployment from the date of its receipt. Any acceptance by such unit member of an assignment to a classification lower than the classification from which they were laid off or to the same classification but with fewer hours shall not affect their original thirty-nine (39) month rights to reemployment in their former classification and with the same number of hours.

10.8 A unit member given an offer of reemployment does not need to accept reemployment to maintain their eligibility on the reemployment list provided the unit member notifies the District of their refusal of reemployment within five (5) workdays from receipt of the reemployment offer. If the unit member accepts reemployment, they must report to work within fifteen (15) calendar days following receipt of the reemployment offer unless a later or agreeable earlier reporting date is indicated on the reemployment offer.

10.9 Seniority and step earned to and including the effective date of layoff shall be reinstated to the unit member who is subsequently reemployed by the District.

10.10 Sick leave hours earned and unused at the time of layoff shall be restored upon reemployment.

10.11 Vacation and compensatory time earned and unused at the time of layoff shall be computed and paid off with the final warrant due the employee. A laid-off unit member shall continue to be covered by the current District paid fringe benefit program for two (2) months after the effective date of their layoff, on the same level as when the unit member was on working status. Thereafter, the unit member shall be eligible to continue coverage at group rate, at their own expense for a period of eighteen (18) months by paying the District for the premiums on a monthly basis.

ARTICLE XI

TRANSFERS, NEW POSITIONS AND VACANCIES

- 11.1 A “transfer” is a move from one location to another location within the District.
- 11.2 The Superintendent shall, subject to the approval of the Governing Board, assign all employees of the District to locations where they are to serve. Such power to assign includes the power to transfer an employee from one location to another within the District when the Superintendent concludes that such a transfer is in the best interest of the District.
- 11.3 An employee desiring a change in assignment shall present such a request to the Superintendent or designee in writing by April 1st. Such requests for change in assignment (transfer) will be considered by the Superintendent or designee at the time that personnel assignments are made for the following school year.
- 11.4 The Superintendent or designee will attempt to complete all personnel assignments for the following school year by the time school is out in June and to notify employees of any transfers necessary or granted. This provision shall in no way limit the Superintendent’s or designee’s power to change an assignment or make a transfer at any time as the needs of the District may dictate. The District shall post all extra hire summer jobs for at least five (5) days prior to the initial closing date of the application.
- 11.5 The District shall notify all employees whenever a new position is created or an existing position becomes vacant. The notification must be posted at all work locations for not less than six (6) working days prior to the initial closing date of the application. An employee shall submit an application in writing for the position. Consideration will be given to all applications from bargaining unit members that are properly submitted and bargaining unit members who meet minimum qualifications shall be given an interview. The District will give every consideration for promotional opportunities for bargaining unit members. However, the final selection for the position is within the sole discretion of the District management.
- 11.5.1 Any employee desiring to be notified of a new position or vacancy while he/she is on leave shall notify the District on the prescribed form. This request must be received prior to the employee beginning the leave. The District shall send a copy of the notification by first class mail on the date the position is posted.
- 11.5.2 The District shall notify in writing all applicants within the CSEA bargaining unit as to the final selection within ten (10) working days of that selection.
- 11.6 Medical Transfers:
- A permanent employee who is determined to be incapable (by his own doctor) of performing the duties of his/her class because of illness or injury, may, at the discretion of the Governing Board, be offered a transfer or reassignment to a position with duties the employee is capable of performing. The employee shall receive the salary established for the position to which he/she is assigned.

- 11.7 Permanent employees who change classification will have a six-month probation period. Evaluation of such employees will be made at the end of the second and fifth months. The employee's former position shall be filled by a substitute employee (See Education section 45103) during the probationary period. If the employee who changes classes fails to successfully complete the probationary period, s/he shall be returned to his/her former classification, and the substitute employee shall be released.

ARTICLE XII GRIEVANCE PROCEDURE

12.1 Definitions:

Grievance: A grievance is defined as an alleged violation, misapplication or misinterpretation of a specific provision of this Agreement filed by an employee, employees or CSEA. It is the intent of the parties to equitably resolve grievances at the lowest possible administrative level. It is the intent of the parties also to encourage as informal and confidential an atmosphere as is possible in the resolution of the grievance.

12.2 Procedure:

12.2.1 Informal Process: An attempt to resolve the grievance through informal conferences between the concerned parties will be made. Every reasonable effort shall be made to resolve the matter quickly and all procedures shall be kept as confidential as possible. If the matter is not settled by the immediate supervisor, the grievance may proceed with the formal process. The informal process shall not last longer than ten (10) working days from the alleged grievance.

12.2.2 Formal Process: The grievant shall complete the informal process before undertaking the formal steps listed in the following sections. All documents, communications, and records dealing with the processing of a formal grievance shall be kept confidential and placed in a grievance file separate from the employee's personnel file.

Step I – Immediate Supervisor

A grievant who wishes to follow the formal process shall present the grievance on the prescribed form to his supervisor and other parties involved within fifteen (15) working days following the act or stated conditions which appear to be the basis of the grievance. The immediate supervisor shall investigate the details of the grievance and confer with the grievant as soon as possible but within seven (7) working days from receipt of the written grievance. The parties shall attempt to resolve the matter amicably.

The decision of the immediate supervisor shall be communicated in writing on the prescribed forms (see Exhibit “G”) to the grievant and other parties involved within five (5) working days following the conference.

Step II – Superintendent

In the event the grievant is not satisfied with the decision at Step I or in the absence of a decision, the grievant may appeal within ten (10) working days after receiving the written decision from the supervisor or from the deadline for receiving it, by submitting the completed prescribed form to the Superintendent. The Superintendent or designee may meet with the grievant within five (5) working days after the receipt of the appeal to review all factors related to the grievance. The Superintendent or designee shall communicate his/her decision to the grievant in writing on the prescribed form within five (5) working days of the meeting with a copy of the decision to all parties involved.

Step III – Request for Fact-Finding

Either party may request mediation through a mediator with the State Mediation and Conciliation Service. However, both parties must agree to go to mediation in order to be effective. In the absence of agreement or if such intervention is not successful, CSEA may proceed to Step III – Request for Fact-Finding.

Step IV - Board of Trustees

Upon receipt of the appeal, together with the documents presented at the lower levels of the grievance, the Board of Trustees shall consider the grievance and review the fact finder's report. The decision of the Board shall be based solely on the written documents. The Board's decision shall be rendered no later than the next regular Board of Trustees' meeting scheduled at least twenty (20) days subsequent to the Board of Trustees receipt of the appeal. The decision of the Board of Trustees shall be final except that no rights of the grievant to further legal action shall be abrogated.

12.3 General Provisions

12.3.1 All proceedings under this procedure shall remain confidential unless otherwise dictated by law.

12.3.2 Failure, at any step of this procedure, to communicate the decision on a grievance within the specified time limits, shall permit lodging an appeal at the next step of the procedure may be extended by mutual agreement in writing between the parties.

12.3.3 A formal grievance not initiated within fifteen (15) working days after the aggrieved party is aware or should have reasonably known of the act or condition on which the grievance is based shall be considered as waived unless it is continuing in nature.

12.3.4 Employees on leave shall have twenty (20) working days after returning to active service to file a formal grievance for an act or condition that occurred while they were on leave and for which they have been notified.

12.3.5 Any appeal not submitted within the prescribed time after receiving the decision will be waived by the grievant and the decision shall stand, unless an extension has been agreed upon.

12.3.6 Either party may be accompanied by a representative of his/her own choosing at any level of this procedure.

12.3.7 All formal grievances shall be in writing and signed by the grievant.

12.3.8 No reprisals shall be taken by the District against anyone by reason of participation in the grievance procedure, or support of any participant thereto.

14.3 Initiation and Notification of Charges

The District Superintendent or designee may initiate disciplinary action as defined herein against a permanent classified employee. To the extent possible, and based on the specific situation, progressive discipline procedures generally will be employed prior to the initiation of disciplinary action against a classified employee.

Prior to initiating disciplinary action and filing written charges with the Board, the Superintendent or designee shall meet with the employee and review the discipline

proposed. If, after such meeting the Superintendent or designee is not persuaded by the employee's responses, the Superintendent shall pursue formal disciplinary action against the employee.

In all cases involving a disciplinary action, the person initiating said action shall file a written recommendation of personnel action with the Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. A copy of such recommendation shall also be provided to CSEA. The recommendation shall include:

14.3.5 A card or paper, the signing and filing of which shall constitute a demand for hearing and a denial of all charges.

14.4 Right to Appeal

The employee may, within five (5) calendar days after receiving the recommendation of disciplinary action described above, appeal by signing and filing the card or paper included with the recommendation or any other written document signed and appropriately filed within the specified time limit.

If the employee against whom a recommendation of disciplinary action has been filed fails to file a notice of appeal within the time specified in these rules, the employee shall be deemed to have waived his/her right to appeal, and the Board may order the recommended personnel action into effect immediately.

14.5 Hearing Procedure

14.5.1 Upon receipt of an appeal from intended disciplinary action, the governing board will consider the appeal, and within thirty (30) days after receipt of the appeal, shall conduct a hearing as provided by law and render judgment to affirm, modify, or revoke the action being appealed.

14.5.2 The employee shall have the right to appear in person on his/her own behalf, with counsel or such representation as he/she considers necessary and be heard in his/her defense.

14.5.3 All hearings shall be held in closed session of the governing board unless the appealing employee requests an open hearing on his/her written appeal.

14.5.4 The finding and decision of the governing board on the appeal shall be final and conclusive on all parties.

14.5.5 If the evidence presented by the employee sustains all or part of the appeal, the governing board shall order full or part of his/her compensation from the time of dismissal, suspension, demotion or other disciplinary action as it deems appropriate and shall order the employee's reinstatement.

14.5.6 A copy of the written decision by the Board shall be sent to the employee and his/her representative no later than five (5) work days after it is adopted.

ROSS VALLEY SCHOOL DISTRICT

CLASSIFIED PERFORMANCE APPRAISAL PROCESS DESCRIPTION AND TIMELINE

The purpose of the Performance Appraisal is to provide a systematic way of setting objectives, assessing an employee's performance, recognizing accomplishments, and identifying areas for improvement and development.

Probationary Performance Appraisal

- Probationary unit members shall be formally evaluated at least twice during their six (6) month probationary period. The evaluations should be completed by the end of the second and fifth months. Recess and/or break periods in excess of two (2) weeks shall not be counted towards the probationary period.

If the District determines that additional time is required to establish if a unit member shall become permanent, the District shall notify CSEA and the unit member in writing that the probationary period will be extended by a maximum of three (3) additional months. Extension of a unit member's probationary period shall be contingent upon the District's completion of the two (2) evaluations during the initial six (6) month period.

- Within the first month of employment, the Human Resources Department identifies new classified employees to be evaluated and provides this information to the evaluators.
- By end of the first month, the evaluator meets with the employee to review the evaluation process. Procedures, timelines and expectations are reviewed at that time. This may be done in an individual meeting or in a group session.
- Two Probationary Performance Appraisals are conducted during the 6-month probationary period for a new hire, or three if the probationary period has been extended by another 3 months.
 - The first Performance Appraisal is to be conducted within the first 3 months of employment.
 - The second Performance Appraisal is to be conducted within the first 6 months of employment. At this time, permanent status will be recommended to be granted or denied.
 - If the probationary period has been extended another 3 months, a third Performance Appraisal is to be conducted within the first 9 months of employment. At this time, permanent status will be recommended to be granted or denied.

The Performance Appraisal Form consists of 12 Evaluation Criteria (the 13th is optional). There is a rating scale to be used for each criterion. The Comments section relates to the 12 (the 13th is optional) Evaluation Criteria; the Commendations and/or

Recommendations section relates to overall evaluation; the Employee Comments section provides a place the employee to add comments, if s/he desires. The written evaluation shall not contain negative comments based on unobserved allegations, unless supported by evidence upon which reasonable persons would rely and deemed sufficiently serious to warrant inclusion on the Performance Appraisal form.

The employee and the evaluator are required to sign and date the Appraisal form. It is understood that in signing this form, the employee acknowledges having seen and discussed the report. The employee's signature does not necessarily imply agreement with the conclusion of the evaluator.

The completed original Appraisal form is to be forwarded to Human Resources for placement in the employee's personnel file. The employee has a right to submit to the Human Resources Department a written response within 10 days which will be included with his/her evaluation and placed in his/her personnel file.

- At any time it is determined the employee has not demonstrated satisfactory performance during the probationary period, s/he will be released from employment. The administrator/supervisor will coordinate with the Director of Human Resources.
- If recommended for permanent status, the employee will be evaluated the 1st year in permanent status and then no more than once annually.

Permanent Performance Appraisal

A Performance Appraisal is conducted:

- For all permanent employees who previously received a satisfactory evaluation, no more than once annually.
- If it has been **more than** six (6) months since the employee's last evaluation **and** one or more of the following has occurred:
 - a change in performance level
 - a change in job responsibility
 - an unsatisfactory evaluation in the previous period
 - a change in classification.
- By September 15th, the Human Resources Department identifies employees to be evaluated during the school year and provides this information to evaluators.
- By November 1st, the evaluator meets with the employee to review the evaluation process. Procedures, timelines and expectations are reviewed at that time. This may be done in an individual meeting or in a group session.
- If the employee decides to participate in goal setting, by November 30th, the evaluator will schedule and complete a Goal Setting conference with the employee.

Goal Setting offers the employee the opportunity for setting direction for professional growth opportunities s/he would like to undertake during the evaluation period to best

serve in the position(s). Reviewing goals at the end of the evaluation period allows the employee to reflect on what s/he has learned and the applicability to the position(s) held.

Performance goals should be mutually established by the employee and the evaluator at the beginning of the Performance Appraisal period. Goal(s) should be specific, measurable, objective, unique to, and attainable for each employee. The goal(s) should be amended if they change during the evaluation period.

Performance Goal(s) are to be written and signed by the employee and evaluator on the Classified Employee's Goal Setting form.

- All observations and conferences and the Classified Performance Appraisal form will be completed by June 1st.

The Performance Appraisal Form consists of 12 Evaluation Criteria (the 13th is optional). There is a rating scale to be used for each criterion. The Comments section relates to the 12 (the 13th is optional) Evaluation Criteria; the Commendations and/or Recommendations section relates to overall evaluation; the Employee Comments section provides a place the employee to add comments, if s/he desires. The written evaluation shall not contain negative comments based on unobserved allegations, unless supported by evidence upon which reasonable persons would rely and deemed sufficiently serious to warrant inclusion on the Performance Appraisal form.

The employee and the evaluator are required to sign and date the Appraisal form. It is understood that in signing this form, the employee acknowledges having seen and discussed the report. The employee's signature does not necessarily imply agreement with the conclusion of the evaluator.

The completed original Appraisal form is to be forwarded to Human Resources for placement in the employee's personnel file. The employee has a right to submit to the Human Resources Department a written response within 10 days which will be included with his/her evaluation and placed in his/her personnel file.

- If a permanent employee receives ratings of 2 and/or 3, s/he is to be evaluated the following year and either specific goals or a Support Improvement Program is to be developed and undertaken during the next evaluation period.

For a permanent employee who receives an employment recommendation of "May continue on condition," a Support Improvement Program is to be developed, using the Support Improvement Program form.

If the employee successfully completes the Support Improvement Program, s/he will be evaluated the following year.

If the employee does not successfully complete the Support Improvement Program, s/he will be recommended for dismissal.

Classification Change

- The Performance Appraisal will be conducted within the first 3 months of and again at the end of the second 3 months of the change. If the probationary period is extended another 3 months in accordance with Article 3.2, another Performance Appraisal will be conducted at the end of the third 3-month extension.
- If the employee receives satisfactory ratings in the classification change, the employee will become permanent in the new classification. The employee will be evaluated the 1st year in the new classification and then no more than once annually.
- At any time during the probationary period of the classification change it is determined the employee has not demonstrated satisfactory performance, s/he will return to previous classification. The employee will be evaluated the 1st year in returning to previous classification and then no more than once annually.

PROFESSIONAL GROWTH AWARDS PROGRAM

FOR

CLASSIFIED EMPLOYEES

I. PROGRAM STATEMENT

It is the policy of the Ross Valley School District to employ and retain the most qualified employees for positions within the classified service. The District encourages all classified employees to participate.

The District recognizes the need for classified employees to increase their knowledge, awareness, and understanding of their responsibilities. The rapidly increasing responsibilities of operating and administering our school district have made it imperative for each classified employee to perform quality service. A high level of accomplishment of all persons is considered essential to the efficient and economical operation of the Ross Valley School District.

The first goal of the professional growth program is to increase the employee's effectiveness in his/her current position; to improve the standard of service of the classified staff; to extend and constantly improve the standards of on-the-job performance of classified employees. A second objective is to develop skills which would enable the employee to qualify for a higher level assignment by providing opportunities for personal growth and opportunities for advancement for all classified employees.

Overall, the Professional Growth Program shall encourage classified personnel to participate in growth-in-service activities, to keep abreast of new developments, techniques, methods, materials and equipment related to their jobs. As an incentive and reward for such voluntary effort, an increment (\$250/year) shall be granted when the employee has earned the required number of growth units (9) by satisfactorily completing recommended courses for his/her classification or other approved in-service growth activities.

It is hereby acknowledged that participation in the Professional Growth Awards Program is entirely voluntary on the part of any employee. Participation in the program shall not be a requirement towards attaining any of the rights, benefits, or burdens accorded bargaining unit employees under the CSEA and RVSD contract.

ROSS VALLEY SCHOOL DISTRICT

FAMILY CARE AND MEDICAL LEAVE POLICY

Under the federal Family and Medical Leave Act of 1993 and the California Family Rights Act (collectively, "the Acts"), eligible employees are entitled to up to 12 work-weeks of unpaid, job-protected leave within a 12 month period for family and medical reasons. The Ross Valley School District ("District") intends to comply with the Acts and their pertinent regulations, and the interpretation of this policy is governed by the Acts.

The following conditions, requirements, and procedures shall apply when requests for family care of medical leave are made:

- A. Employee Eligibility. To be eligible for benefits under the Acts, an employee must:
1. Have worked for the District for at least 12 months or the number of months in a year customarily worked by the employee (e.g., 10 months for a 10-month employee);
 2. Have worked at least 740 hours over the previous 12 months for the District (by example, 185 days x 4 hours = 740 hours); and
 3. Be one of at least 50 employees employed by the District within 75 miles of the employee's work site.
- B. Reasons for Taking Leave. A leave request from an eligible employee must be granted for any of the following reasons:
1. Birth of the employee's child;
 2. Placement of a child with the employee for adoption or foster care;
 3. Care for the employee's child, spouse, parent, grandparent, parent-in-law, grandchild, domestic partner with a serious health condition or adult child who is incapable of self care because of a mental or physical disability;
 4. The employee's own serious health condition that keeps the employee from performing his or her job functions.
- C. Advance Notice of Leave and Medical Certification. Employees will provide (1) advance written notice of the leave request, (2) medical certification whenever a serious health condition is involved and (3) a completed District Employee Request for Family Care and Medical Leave.
1. If the need for the leave is foreseeable, employees will provide 30 days advance written notice. The advance notice should include the Employee Request for Family Care and Medical Leave form. If the need for the leave is unforeseen (i.e., an emergency), notice is required to be given as soon as practicable.

2. If the leave is to care for a family member with a serious health condition, or because of the employee's own serious health condition, the employee will provide medical certification from a health care provider or physician. The medical certification must include:
 - a. Date of commencement of the serious health condition;
 - b. Probable duration of the condition;
 - c. Estimated amount of time the health care provider will provide care;
 - d. Confirmation that the serious condition of the child, spouse or parent warrants the participation of the employee; or, in the case of the employee's own serious health condition, certification that the employee is unable to perform his or her job functions.
3. The District may require a second and third medical opinion regarding an employee's serious health condition, at the District's expense. When the duration of the leave is uncertain or the estimated time for the leave expires and the employee remains out of work, the District may require subsequent recertification.
4. If the leave is needed for planned medical treatment or supervision, the employee must make a reasonable effort to schedule the treatment or supervision to minimize disruptions to the District.
5. An employee's advance notice and medical certification and Employee Request for Family Care and Medical Leave may be required to be given to the employee's supervisor (or other designated individual). The supervisor (or other designated individual) may then determine the adequacy of the notice and medical certification and whether or not the leave will be recommended for approval to the superintendent.
6. Failure to provide advance notice, medical certification and Employee Request for Family Care and Medical Leave when necessary may delay the granting of leave until such requirements are met. In the event that the delay in giving notice to the District prevents the District from securing an acceptable substitute, the District may require that the leave commence at a later time.
7. In the event that the District has any reason to believe that the leave requested is not for a legitimate purpose, the District shall have the right to require medical or other verification.

D. Continuation of Health Coverage and Other Job Benefit Plans.

1. An employee taking leave will continue to participate in any group health care benefits plan under the same terms and conditions, including any necessary co-payments, by which the employee was enrolled prior to the first day of the leave.

2. The District will continue to make District-paid tax shelter annuity contributions for employees while on leave.
 3. If the employee fails to return from the leave for any reason other than the recurrence, continuance, or onset of a serious health condition, the employee will be liable to the District for premiums paid for maintaining the employee's health coverage.
 4. An employee may, at his or her expense, continue to participate in all other employee benefit plans offered by the employer during the leave period.
- E. Intermittent or Reduced Schedule Leave. An employee may take leave intermittently (e.g., in blocks of time), or by reducing a normal work schedule, in the following circumstances:
1. Where the leave is for the birth or placement of a child, leave may be taken on an intermittent or reduced schedule basis if the District approves.
 2. Leave may be taken intermittently or on a reduced work schedule whenever it is medically necessary to care for a family member with a serious health condition, or because the employee is seriously ill and unable to work the employee's regular work schedule.
- F. Substitution of Paid Leave and Other Leave Requests.
1. Employees may request to use paid vacation leave and family care leave concurrently if the reason for the paid leave meets the requirements of the family care leave (Section B). An employee may request to use paid sick leave and family care leave concurrently only for the employee's own serious medical condition.
 2. The District may require the employee to substitute accrued vacation leave, and sick leave where applicable, for the unpaid family care and medical leave entitlement.
- G. Maternity. A female employee is entitled to leave for disability caused or contributed to by pregnancy, miscarriage, childbirth, and recovery therefrom for the period of time determined by her physician. During her period of disability, a certificated employee may collect first her current year's sick leave, and then (for up to five school months) her accumulated full sick leave followed by differential pay. During her period of disability, a classified employee may collect (for up to five school months) her sick leave, both current and accumulated, and/or other available paid leaves, followed by differential pay. An employee on maternity leave will not start using her 12-week period of paid or unpaid family care leave entitlement until after her disability period has ended. The District may, however, count prenatal care visits against the employee's family and medical leave entitlement.

- H. Spouses Who Work for the District. Spouses employed by the District are jointly entitled to a combined total of 12 work weeks of family leave for the birth or placement of a child with them, or to care for a parent with a serious health condition. Each spouse is entitled to a full 12 weeks of family care leave for other qualifying circumstances.
- I. Period of Eligibility. The 12-month period of entitlement commences on the first day of the leave.
- J. Seniority, Employee Benefits and Break in Service. An employee on leave will not lose any seniority or employment benefit that accrued prior to the start of the leave. An employee on leave will not accrue seniority or additional benefits, such as vacation, sick leave or similar benefits, during the leave. The leave will not constitute a break in service for purposes of longevity and seniority.
- K. Restoration of Employment and Fitness for Duty Report. Employees returning from an approved leave will be reinstated to the same or equivalent position. Employees returning from an approved medical leave for their own serious health condition may be required to provide a fitness for duty report to return to work.
- L. Key Employee Exception to Restoration. An employee who is a "key" employee due to the fact that he or she is a salaried employee and among the highest paid 10 percent of all employees employed by the District may be denied restoration to his or her position following the leave if the District determines that substantial and grievous economic injury will result if such key employee is reinstated.
