AMENDMENT 2

It has come to our attention by the roofing manufacturers, Siplast and Soprema, that the specifications for the roof must be revised. As a result, the Bid Opening scheduled for Monday, May 5, 2025, at 2:00PM is being changed to Friday, May 9, 2025, at 2:00PM. The location for the Bid Opening is unchanged, and remains at 100 Shaw Drive, San Anselmo, CA 94960.

The updated bid specifications will be provided no later than 1:00PM, Tuesday, May 6, 2025. This will be issued in a subsequent Amendment. In addition to emailing these amendments to interested parties, they will be available at the district's website at <https://www.rossvalleyschools.org/Page/71>.
