Re: Student Accident Insurance Program for the 2025-26 School Year

Dear Parents & Guardians

The safety of students while at school is our most important concern. Even so accidents do happen and resulting medical treatment can be very expensive.

Ross Valley School District does not provide accident medical insurance for school related injuries, but we have joined with thousands of other schools throughout California to provide access to a low-cost voluntary insurance program. The program is arranged and administered by K&K Insurance Group, an organization that has over 70 years of providing customized insurance solutions.

Several programs are offered, as indicated on the attached brochures. If you'd like to participate, you can either complete the enrollment form on-line through the K&K Insurance link provided or print the enrollment form and submit it. Both enrollment methods require your payment be made directly to K&K Insurance Group per their instructions. We recommend you keep the brochure in a safe place for quick and easy reference.

If you have any questions, please call K&K Insurance Group at 1-800-637-4757. Bilingual representatives are available for parents and guardians who need assistance.

Sincerely,

Pam Cooney
Fiscal Services Accountant
Ross Valley School District
