Community Learning Camps

Community Learning Camps are academic support and enrichment programs for families who need full-day support for their students. The morning academic component provides academic support for distance learning, as well as STEAM curriculum to complement the school-assigned curriculum. The afternoons include a wide variety of active and engaging enrichment activities.

Students must be enrolled in full days (7 AM-6 PM) and all four weeks of each session.

Session 1: 08/17-09/11 • Session 2: 09/14-10/09
(Families must register for full 4 week sessions)
